* Use payment factors to quickly quote a payment. Example: $\$ 9,000$ purchase price $\times 0.01029=\$ 92.61$ per month
* Approvals are valid up to 180 days
* One or more of the applicants must be the homeowner
* Customer fee of $1.5 \%$ is applied on all programs (up to a maximum of \$149)
* Loans are completely open, no prepayment penalties

## CLOSE MORE DEALS WITH THESE TIPS

- Offer financing every time. Always include a monthly payment with every home improvement quote.
$\checkmark$ Talk payments as well as total price. Example: $\$ 92.61$ per month is more compelling than $\$ 9,000.00$.
$\checkmark$ Bring it up first. Don't assume your customers know it's an option, be the one to bring up financing.
$\checkmark$ Promote it everywhere. Include example payments in all your advertising to attract more customers.
*Financing and payments are subject to credit approval. Always include "on approved credit" when offering a monthly payment.
