

QUICK and EASY In-Home Document Signing

- 1 When you are ready for payment, your customers can **log into ExpressDocs directly from your tablet.**
- 2 Once your customer has logged into their account they are **able to review the loan documents** before e-signing.
- 3 Your customer can sign and submit their Payment Authorization Form **before you leave their home.**
- 4 Once both parties sign the Payment Authorization Form, **funds are sent to your business bank account.**
